Project

Shopping Chabot applications is articulated to meet the specific needs of the customers or other stakeholders, who want to know about prices of items that they want to buy whenever they go for shopping or to have Subject Matter insight in to scope and extent of prices of shopping items in India. Chat bots can make a huge difference to user to responding to the user queries directly from within Messenger platform.

For example: Hyatt Hotels are using a Facebook Chat Bot to communicate with guests to understand their needs and what they are expecting. It reduces the human energy and time.
